flying only in fair weather and usually at speeds of no more than 8 miles per hour, the captains pilot leisurely flights low over the countryside of rolling hills from march through november.

but want to observation on few basic things, the site style is ideal, the articles is really nice : d

if used like alcohol, to relieve stress and as a crutch for coping with a problem, i would say it would be best to abandon the stressful lifestyle, rather than use marijuana to cope with it
