some reasons for wanting a vasectomy reversal include death of a child, death of a spouse, divorce, or experiencing a change in circumstances so that having more children is possible

a lot (in truth, this can be my first post), i don’t assume the time period lurker; just as you’ve said here, i had lousy or at least outdated advice

she works, travels occasionally and has a much greater sense of control.

just as you’ve said here, i had lousy or at least outdated advice
